

**CHEVAL BLANC COURCHEVEL UNVEILS THIS YEAR'S SPECIAL
HOLIDAY CAKE SIGNED BY YANNICK ALLÉNO**

Courchevel, September 2018,

The staff at Cheval Blanc Courchevel and Yannick Alléno, head chef of the resort, are delighted to present this year's special Christmas cake, "la bûche des Neiges."

Like a winter wonderland covered with a mantle of freshly fallen snow, this twist on the French holiday classic takes the form of an alpine garden shaped by the wind, evoking the mountain slopes near Cheval Blanc Courchevel.

Slice into the sculpted white chocolate exterior to reveal progressive layers of vibrant color — a frosty band of alpine herbs gives structure to the composition with a unique flavor that is immediately contrasted by creamy passion fruit. A coconut mousse enrobes a rich and tender almond biscuit and crunchy lime-coconut crust.

The majesty of the Alps and an exactingly selected blend of exotic flavors complement each other in this unforgettable creation, waiting to be discovered in Courchevel.

"La bûche des Neiges" exemplifies the culinary vision of Yannick Alléno for Cheval Blanc Courchevel: audacious and joyfully flavorful.

It is an incarnation of the holiday season at Cheval Blanc Courchevel, in which the art of cooking, savoir-faire and creativity are the everyday watchwords of each member of the kitchen staff. For each of these artisans, the goal is to fulfill the dreams and please the palates of every guest and diner.

To order in-house, six people, 108€
